government says a Liberal government would introduce new rules that would allow police departments across Canada to buy
drones as well as aircraft used to track and intercept planes.. But the government's public safety minister is refusing to reveal
details until Ottawa approves rules it believes could significantly limit police powers.

existing legislation -- specifically section 14 of the Criminal Code -- law enforcement agencies within 50 kilometres of any airport must have equipment that has been approved by the government within the course of 18 months.. It wants the government to also give police broad surveillance powers within 50 km near airports, and to allow them to use aircraft equipped with cameras and other technology to gather evidence.. It wants to bring in new laws through legislation introduced by the previous Conservative and Liberal governments that would allow law enforcement agencies to purchase and operate drones that can capture video and images of the air. They would also be able to use planes to gather surveillance video.. The Amazing Spider Man 2 Tamil Dubbed TV Series | Facebook | Twitter | Facebook | Tumblr | Tumblr | YouTube Subscribe | RSS.. "The current proposed policy is not sufficient to fully protect Canadian sovereignty," Rob Nicholson wrote in an open letter sent Monday.. "I recognize that this legislation may not be acceptable or desirable to some individuals who may be anti-state, or who may not wish to have cameras or radar fitted..
